

Meet the Artist Fantasy Hair by Jen

Wearable Art. A Little Magic. All You. 

Hi! I'm Jen, the artist and creator behind Fantasy Hair by Jen.

I specialize in **wearable art** that adds a little magic to every moment. My signature service, fairy hair, is a fun, sparkly way to express your unique style. Each strand is carefully tied in and made to **last for months** with proper care.

But the magic doesn't stop there! I also offer feathers, hair wraps, resin fairy wing earrings, bracelets, ear cuffs, custom lip glosses, body glitter, glitter tattoos, and more.

Everything I offer is all about self-expression, creativity, and feeling a little extra—because *you deserve to shine!* 

Come find me at the Neptune Beach Farmers Market and let's add a little sparkle to your day!
